

## Our Accessible and Pro-Neighborhood Voice On the Council

I am running for the Metro Council to serve the residents of District 18's neighborhoods and provide our community with a respected voice on city-wide issues.

My personal commitment to you is to be an engaged, accessible and dedicated representative of your needs, views and values on the Metro Council.

My wife, Tamara, and I have made the 18th District our home because of the extraordinary quality of life we all enjoy there. I will make it my mission to protect the quality of life in our neighborhoods.

More broadly, I want to do my part to improve our schools, protect our environment and make sure that our local government is responsive and efficient. I look forward to seeing you on the campaign trail. If you want to contact me in the meantime, call me on the campaign cell phone or stop by the house. Together, we can win.
